# Internship & Placement

## Programs

Our internship offerings provide real-world exposure, practical skills, and industry-recognized certification to enhance career readiness.

### Short Term Internship

(2–6 Weeks)

- **Brief:** Focused, hands-on exposure in domains like marketing, finance, HR, analytics, or IT.
- **Process:** Attend training, complete tasks or mini-projects, and submit reports for evaluation.
- **Benefits:** Quick skill enhancement, exposure to tools, certificate of completion.
- **Guidelines:** Open to all UG/PG students; attendance and task submission mandatory.

### Training Module + Certification

(4–8 Weeks)

- **Brief:** Combines domain-specific training (e.g., Excel, Python, Digital Marketing) with practical assignments.
- **Process:** 10–20 hours of training, live projects or case studies, outcome presentations.
- **Benefits:** Learning + certification; portfolio-worthy projects.
- **Guidelines:** 75% attendance, project submission, and presentation required.

### Integrated Internship Program (3 years)

For students who are passionate, dedicated, and eager to upskill.

- **What's in it for you?**
  - Work on real projects with MSMEs, SMEs, Consulting Firms, NGOs.
  - Stipend opportunities after successful training completion.
  - Build expertise in Business Acumen, Marketing, MS Excel & Power BI.
- **Work Model**
  - Hybrid (Office/Remote) | 4 hrs/day after classes | 6 days/week
- **Eligibility**
  - B.Com, M.Com, BBA, MBA, BCA, MCA students
  - Passion and commitment to upskill
- **Program Highlights**
  - Internship integrated with academic semesters
  - 3–6 months of training + hands-on tasks
  - Stipend eligibility after 6 months
